

Join Us For our February Meeting

ASQ Section 1216 meeting on Tuesday Feb 25, 2014

Where: Elmaro Vineyard

Address: N14756 Delaney RD, Trempealeau, WI 54661

When: 5:30 Tuesday, February 25th

Dinner: Catered on site

Elmaro Vineyard is a family vineyard and winery that began wine production in the fall of 2010. Since that time the wines produced at Elmaro have won numerous medals at regional and international wine competitions. The wines have been served at the Governor's mansion in Madison, the Wisconsin Grape Growers Banquet and also at the Minnesota Grape Growers Conference. While creating a business plan, the family members' educational and experience backgrounds provided the perfect backdrop for Elmaro.

During your visit, we will invite you to join us on a winery tour which will include a visit to the laboratory where we conduct bench trials and juice, must and wine analysis. While in the winery, we'll also taste different styles of wine in the tanks and barrels while discussing the production process.

Please join us for an educational and enjoyable evening at Elmaro Vineyard.
